1705 Tarboro Street, Wilson, North Carolina 27893 | 252.399.8040

Wilson Medical Center's mission is simple: Making Communities Healthier®. By creating places where people choose to come for health care, physicians want to practice and employees want to work, we are providing quality care close to home and investing in our region's overall well-being. Your support allows us to continue to enhance the many ways we serve and care for Wilson County and the surrounding region today and for generations to come. Thank you.

— Mark Holyoak, *CEO*

In 2019, we...

...added 25 providers

...made more than \$19.4 million
in capital improvements

...distributed a payroll of \$61,478,339
to more than 850 employees

...donated more than \$64 million
in services to those in need

...paid \$8,190,542 in taxes

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in radiology, anesthesiology, behavioral health, orthopedics, emergency medicine, urology, pathology, pulmonology, hospital medicine, emergency medicine and pediatric dentistry.

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's health care needs. This year, we invested in new respiratory ventilators, operating room renovations and renovations of our labor and delivery department.

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

Duke LIFEPOINT HEALTHCARE

Charity care and other uncompensated care includes charity care, uninsured discounts and uncompensated care. Physician recruitment costs include recruitment costs and support of new physicians' initial practice establishment in the community. Payroll includes consolidated salaries, wages, benefits and contract labor costs. Capital investments include facility expansions/renovations, equipment purchases, technology replacement, information technology additions/updates and routine facility upkeep and maintenance. All references to "LifePoint," "LifePoint Health" or the "Company" used in this release refer to subsidiaries of LifePoint Health, Inc.

Duke LifePoint Healthcare, a joint venture of Duke University Health System, Inc. and LifePoint Health, was established to build a dynamic network of hospitals and health care providers. The joint venture, which brings together LifePoint's experience in community-based hospital management and Duke's world-renowned leadership in patient safety and clinical quality systems, is strengthening and improving health care delivery by providing community hospitals the clinical, quality and operational resources they need to grow and prosper.
